

ARTIFER1962

Da oltre cinquant'anni consideriamo importante il "valore" di quei lavori in cui la cura del dettaglio e dell'aspetto estetico contraddistinguono da sempre il nostro "Made in Italy".

Unitamente alla produzione di qualità in stile classico o di design, Artifer1962 ha sempre mirato all'eleganza nel modo di proporsi e di comunicare facendone un chiaro elemento di distinzione. La nuova immagine aziendale si pone come obiettivo la diffusione di questa "filosofia" rispettando profondamente le caratteristiche dei singoli mercati. Un rinnovato sito internet, compatibile con i nuovi supporti di comunicazione e i Social network, garantiscono sempre una informazione aggiornata con le nuove realizzazioni proposte tramite le proprie Divisioni.

ARTIFER1962

For over fifty years we consider important the value of those works in which the attention to the detail and to the aesthetic appearance have always marked our "Made in Italy".

With a high quality production in a classic and design style, Artifer 1962 is always concentrated on the elegance of the products and the communication making them a clear element of distinction on the market. The new company profile has the objective to divulge this "philosophy" with the utmost respect of the characteristics of every market. A renewed Internet site, which is compatible with the new trends of communication and social network, assures always an updated information regarding our new products proposed by our all sharing.

ARTIFER1962: **CLASSIC**

La struttura dell'azienda ARTIFER si è plasmata nel corso degli anni seguendo la ricerca della qualità che da sempre ha caratterizzato i prodotti che escono dalle proprie officine di Zanè. Oggi, grazie alle nuove tecnologie tutti i processi di lavorazione sono costantemente controllati ed i dettagli continuamente analizzati al fine di elevare la qualità produttiva pur mantenendo prezzi veramente competitivi.

ARTIFER1962: **CLASSIC**

The structure of the Company has been progressively loomed through the years following the research of the quality that has always characterized all the products coming from the factory of Zanè. Today, thanks to the new technologies, all working processes are constantly taken under control and the details continuously analysed in order to improve the quality of the production but with very competitive prices.

ARTIFER1962: PROJECT

Dalla nostra esperienza nella produzione di manufatti in ferro battuto, si è sviluppata la "Divisione Project" un servizio per Progettisti ed Architetti con l'obiettivo di sviluppare realizzazioni su misura in base al progetto del cliente. I tecnici della divisione project sono in grado di realizzare qualsiasi richiesta e il laboratorio tecnico riprodurrà fedelmente le vostre proposte, sia per dimensione che per complessità del disegno.

ARTIFER1962: PROJECT

Our experience in the production of wrought iron elements has allowed us to develop the "Project Division" at the service of designers and architects for the development and installation of on measure work based on the customer's project. The technicians of the Project Division are able to realize every enquiry, and the laboratory will accurately reproduce your request, both in size and in complexity of the drawing.

ARTIFER1962: ARCHIMOD

Artifer1962 propone Archimod, una linea di prodotti prefiniti modulari che, grazie alla facilità di montaggio, permette una rapida installazione a costi concorrenziali.

Balconi, recinzioni, cancelli, scale... disegni unici coordinati per realizzare tutti gli elementi per la sicurezza dell'abitazione privata o pubblica, con finiture estetiche moderne o classiche.

ARTIFER1962: ARCHIMOD

Artifer 1962 proposes Archimod, a line of pre-finished modular products which, thanks to the easy way of assembly, allows a fast installation with competitive prices.

Balconies, fences, gates, stairs... unique coordinated drawings to realize all the elements for the safety of the private and public residence, with modern or classic finishes.
